Division 10 Monthly Update

Hello Key Clubs of Division 10

Hello schools of Division 10! My name is Andie Novotny and I am excited to be serving my second term as the Lt. Governor of our division. As a Lieutenant Governor, I will be your club's connection to the District. I will begin by telling you a few things about myself. Next year, I will be a junior at Riverton High School. In addition to Key Club, I am also a member of Riverton's swim team, speech and debate team, and drama. I love books and I love art. Some of my goals for our division this year are to have each school in Division 10 represented at the 2008 International Convention, have at least five people from each school attend Rocky Mountain District Convention in 2009, to have the greatest attendance possible from all schools at spring and fall rallies, and to charter, or start, at least one new Key Club. I also hope that the 2008-2009 Key Club year will be an amazing one! I look forward to the year ahead of us and to working with all of you.

Andie Novotny
Lt. Governor Division 10

I pledge, on my honor,
to uphold the objects of
Key Club International,
to build my home,
school, and community,
and to combat all
forces which tend to
undermine these forces

If you need any help or have any questions, please do not hesitate to e-mail me. I check my e-mail daily.

Rocky Mountain District Convention 2008

On April 4th through April 6th, the 56th Annual Rocky Mountain District Convention was held in Lakewood, Colorado. District Convention, also known as DCON, is a time for all of the Key Clubs in our district to get together and celebrate all of the positive changes that the RMD Key Club members have made in the world, and to learn more about our organization. At DCON, members get the chance to go to helpful Key Club workshops and learn valuable information about being a member of Key Club, specific offices, and a variety of other things. While at district convention, Key Clubbers have the opportunity to meet other Key Clubbers from around Wyoming, Colorado, and Nebraska and to see the kinds of service projects that other clubs are doing. Various awards were given to clubs for things such as punctual dues payment and outstanding service projects. There was a talent competition where KC members could demonstrate their skills to the entire district, and I must say, our district is quite talented. District Convention is also when elections for the district bulletin editor, treasurer, secretary, and governor are held. The results for this year's election was as follows: Mario Hernandez will be our '08 – '09 district governor, Audrey Rodriguez will serve as the RMD secretary, Mariah Norby as the treasurer, and Aimy Tien as the bulletin editor. District convention is an incredible experience. If you did not get the chance to attend this year's District Convention, I strongly urge you to attend DCON in 2009.

THINGS YOU NEED TO KNOW

Still Want to be on the District Board? It isn't too late!

If you would like to be on the district board as a committee chair, please contact me. The process of chair selection will begin in May. The available chair positions are Technology Chair, Club Building Chair, and Convention Chair. If you are interested please send me an e-mail with your contact information and the position that you are interested in. If you do commit to any of these positions, you must be dedicated. By accepting a position on the board, you agree to attend 5 board meetings held in Colorado, District Convention next year, and International Convention. If you are interested, please contact me for specific information.

INTERNATIONAL CONVENTION

This year, The Key Club International Convention, otherwise known as ICON, will be held in Denver Colorado. Why is this important to you? This is right in the heart of RMD! Even if you do happen to live in division 10, Wyoming, this is much closer than ICON has ever been to the Rocky Mountain District. It seems especially close when you consider that the past two locations have been Orlando, Florida and Boston, Massachusetts! Because ICON is so close to home this year, we have the opportunity to send our very own division 10 KC members! If you or anyone else in your club is interested in attending, please contact the Rocky Mountain District Assistant Administrator, Barb Fuller.

Club Monthly Report and Contact Information

Included with this newsletter, I am sending you a blank monthly report form and a form for you to fill out your contact information. The monthly report form is to be filled out by the 10th of each month. I need all of the contact information of your newly elected club officers returned to me as soon as possible. Thank you!
