FEBRUARY 5, 2009 – LUNCH & PROGRAM

MOTHER HOUSE – Ann McConnell. Mother House has been available for pregnant women in need since June of 1982. During their stay at Mother House, these women are given guidance and emotional support while also gaining encouragement to redirect their lives during an unplanned pregnancy. It has become a safe haven for women to build confidence and skills necessary for a strong future for them and their babies should they decide to parent. Mother House serves the woman who has made the decision to carry her baby to term. The emphasis is on supporting her during her pregnancy so it can be a positive experience. The women at Mother House live in a cooperative household and are encouraged to respect and support one another emotionally through their shared experiences.

Norm Winchester was an active Kiwanian for 52 years. Services will be held at 3:00 PM at the First Presbyterian Church Chapel, 1820 15th Street, Boulder, CO 80302. Norm's smiling face and quick wit will be missed by all who knew him.

FEBRUARY 12, 2009 – LUNCH & PROGRAM

BEAD FOR LIFE – Heather Ditillo. Bead For Life eradicates extreme poverty by

creating bridges of understanding between impoverished Africans and concerned world citizens. Ugandan women turn colorful recycled paper into beautiful beads, and people who care open their hearts, homes and communities to buy and sell the beads. The beads thus become income, food, medicine, school fees – and hope. It is a small miracle that enriches us all. All profits from Bead For Life are invested in community development projects that generate income and help people work their way out of poverty.
